COMPLETE COMFORT & CONTROL

The Bespoke Synergy Straight Stairlift includes many features as standard, enhancing the practicality and usability for the user and household to live with.

REMOTE CONTROL

Ergonomically designed and easy to use, a remote control is supplied with the Bespoke Synergy as standard, giving the user total control of the stairlift.

COMPLETE CONTROL

Controlling the Synergy stairlift is comfortable for all users even for those with reduced dexterity.

The ergonomically designed toggle switch is available for left and right-handed people.

SAFE & SECURE

With a simple and fully adjustable seatbelt means that you will be safely held on the seat when the stairlift is in operation, giving you added peace of mind and security.

EASY ON EASY OFF

With a gentle turn of the handle, the seat turns allowing you to get on and off the Synergy with ease and confidence.

SYNERGY

STRAIGHT STAIRLIFT

ONE OF THE SLIMMEST RAILS IN THE WORLD

The straight rail is made of aluminium giving the stairlift the best ride possible and without obtruding the staircase.

The legs fit to the stair treads and not the wall preventing any unsightly cracks or damage.

1

ERGONOMIC CONTROLS

Simple, smooth operation glides you up and down the stairs smoothly.

2

CLEAN, CLEAR & PRECISE

Compared to other stairlift manufacturers, Bespoke includes so many simple and innovative solutions as standard, giving extra value for the customer.

PADDED SEAT

The padded seat and backrest are made from high quality machine-stitched vinyl giving the user added comfort.

REMOVABLE COVERS

The vinyl padded seat is durable ensuring minimal scuffs and marks occur.

Easy to wipe down or easily zipped-off for a deeper clean.

EASY TO UNDERSTAND

With the digital diagnostic display as standard, you can easily understand the Synergy stairlift and its status with the clear, backlit text.

This means you don't need to decipher complicated digital codes, bleeps or flashing lights.

SAFETY SENSORS

The Synergy Stairlift footrest includes sensors that stop the stairlift if there's an obstacle on the staircase.

ROOM FOR OTHER USERS

The Synergy leaves as much space as possible on the stairs for other users.

The chair and footrest folds neatly against the wall so your home can become your home once again.
